Dear Bill

Re: A randomised trial of URsodeoxycholic acid versus RIFampicin in Intrahepatic Cholestasis of pregnancy: the Turrific study. HREC/18/WCHN/36.

I refer to the letter dated 17th April 2019 and email dated 27th May 2019 from Dr S Coat. I advise approval of the following documents:

- Turrific Comparison Placentas Master PICF Version 2, 27 May 2019
- Turrific Protocol Version 5, 17 April 2019
- Turrific PICF Version 4, 17 April 2019
- Turrific Master Withdrawal Letter Version 1, 17 April 2019

Yours sincerely

TAMARA ZUTLEVICS (DR)
CHAIR
WCHN HUMAN RESEARCH ETHICS COMMITTEE
